Inspirational Websites

http://www.danielrturner.com/

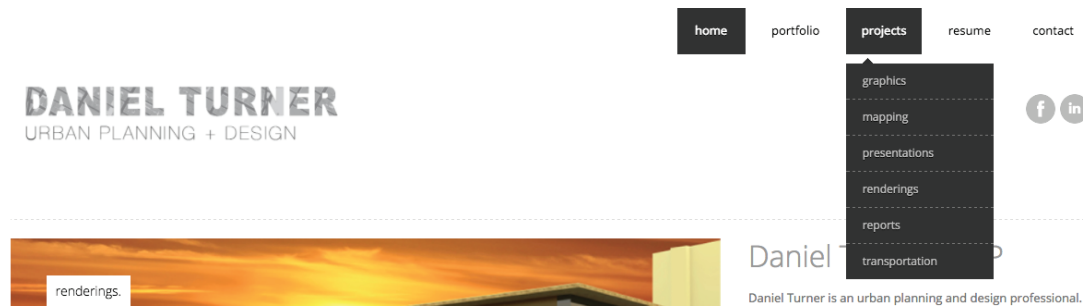

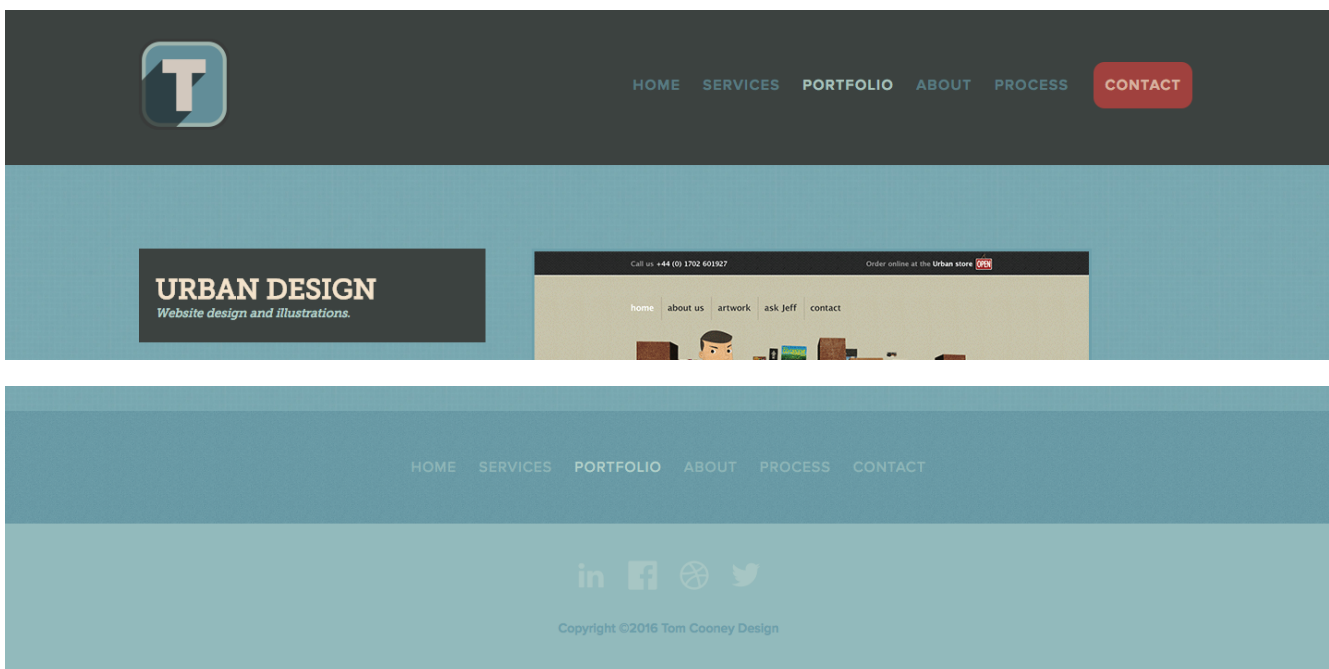

Daniel Turner's website is very simple and practicle but it holds a number of navagational tabs to direct the audience to the right sources. the tabs are highlited a diff color when on the page and being hovered over

http://tomcooneydesign.com/portfolio-urban-design.php

From this website Tom has an amazing simple directory as well. What stands out the most is the social media connects.
